RFP Issued

Concessions Management Services - Request for Proposal (RFP)

The City of Chicago Department of Aviation has issued a Request for Proposal (RFP) by qualified persons and businesses to provide program and property management services in all the domestic terminals at O'Hare International Airport and Midway International Airport. The services include the coordination of the planning and design of the space made available for the food and beverage, retail, duty free and service concessions. Also, the Respondent will be responsible for concession program, property and concession agreement management services.

Specification Number: 85557

Pre-Submittal Conference Date: September 28, 2010

Location: Aviation Administration Building
10510 West Zemke Road
Chicago, IL

Time: 11:00 a.m.

RFP Questions and Clarifications Due: October 6, 2010

Proposals Due: October 26, 2010, 4:00 p.m.

A copy of this RFP is available from the Bid and Bond Room located at City Hall, 121 N. LaSalle St., Room 301, Chicago, Illinois 60602. Respondents may also request the Bid and Bond Room personnel mail them a copy of the RFP by providing the Bid and Bond Room a Federal Express account number or make arrangements with Bid and Bond Room personnel to have a package ready for pickup by another courier service. The Bid and Bond Room telephone number is (312) 744-9773.

Respondents may download the RFP from URL address:

The Chicago Department of Aviation (CDA) is self-supporting, using no local or state tax dollars for operations or capital improvements at O'Hare and Midway International airports. Together, Chicago's airports generate more than \$45 billion in annual economic activity and create 540,000 jobs for the region. Please visit www.flychicago.com to learn more about the Chicago Department of Aviation.

The CDA continues to incorporate and expand sustainable initiatives for airport planning, operations and maintenance, concessions and tenants in accordance with the CDA Sustainable Airport Manual (SAM), released in August 2009. To view case studies, lessons learned and new technologies, and for more information on the SAM, please visit www.airportsgoinggreen.org.

The O'Hare Modernization Program (OMP), introduced by Mayor Richard M. Daley in June 2001, transforms O'Hare's airfield from an outdated system of intersecting runways into a modern parallel runway configuration. The program will reduce overall delays at the Airport by 79 percent, and bad weather delays by 95 percent. It will create 195,000 new jobs and \$18 billion in additional economic activity each year. Please visit www.oharemodernization.org to learn more about the OMP.
