I certify under penalty of law that information and files uploaded to this website were prepared under my direction and supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the

information submitted. Based on my inquiry of the person or person(s) who manage this system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment. In addition, I certify that the provisions of the permit, including the development and implementation of a storm water pollution prevention plan and a monitoring program plan, will be complied with. I also certify that, to the best of my knowledge, the storm water which is discharged from this facility\site does not contain process wastewater, domestic wastewater, domestic wastewater, or cooling water.

Any person who knowingly makes a false, fictitious, or fraudulent material statement, orally, via information submitted from this website, or in writing, to the Illinois EPA commits a class 4 felony. A second or subsequent offense after conviction is a class 3 felony. (415 ILCS 5/44(h))
