

FIELD MUSEUM – O’HARE T1/B8 & T3/K1

Corporate Sustainability Policy

- » Aramark’s corporate sustainability policy includes responsible product sourcing, community involvement, and an industry leading animal welfare policy

Alternative Transportation

- » 92% of employees use public transportation incentivized by employer through discounted Ventra rates

Consumer Disposable Products

- » Eliminated all plastic from bags, packaging, and boxes in 2016

Energy Use Reduction

- » All tenant space lighting uses LED fixtures and lamps reducing lighting energy consumption
- » All qualified equipment is Energy Star™ compliant including refrigerators and printers

Waste Reduction

- » Nearly all waste generated, consisting of cardboard packaging and paper, is recycled.

Reduction of Plastic Waste

- » Eliminated plastic bags and provide employees with reusable water bottles to eliminate plastic water bottle waste
