

ARGO TEA CAFE - T3

Green Procurement Policy

- » All corporate procured products used are environmentally friendly and contain 100% recycled materials

Construction Waste Management

- » Prefabricated millwork reduced the amount of on-site construction debris. A minimum of 50% of the remaining construction materials will be recycled

Material Reuse

- » The millwork service area is reused/refurbished from a previously closed location. Reused materials constituted greater than 50% of the millwork package

Equipment Salvage and Reuse

- » All food service equipment was reused from a previously closed location
