

H&R BUILDING SWITCHGEAR REPLACEMENT

Corporate Sustainability Policy

- » Designer has a corporate sustainability policy that includes green procurement such as 100% recycled paper towels and the elimination of disposable cups

Equipment Salvage and Reuse

- » Switchgear components were reused and refurbished instead of replaced reducing demand for virgin materials and generation of waste

O'HARE

DESIGNER: **Burns & McDonnell Engineers**

In recognition of your outstanding leadership in pursuit of sustainability within the aviation industry.

Jamie L. Kree
 Jamie L. Kree, Commissioner of Aviation
