

TORTAS FRONTERA – T5, SPACE 559

Optimize Energy Performance

- » 30% of lighting load utilizes LED lighting and efficient T8 lamps are also installed
- » Refrigerators, fryer, glass washer, dish washer and ice machine are Energy Star certified

Recycled Content

- » Metal rails, panels, and stainless steel wall panels with recycled content ranging from 10% to 65%

Local and Regional Materials

- » 55% of construction materials were obtained within 250 miles of the project site, primarily wood planks, natural stone finishes, tiles, and wall panels
