

## 4R-22L CENTERLINE LIGHTING / PAVING

### Optimize Energy Performance

- » Use LED fixtures for edge and centerline lighting.

### Construction Waste Management

- » 100%, or 8,200 tons, of construction waste will be diverted from landfills including soil and concrete.

### Local and Regional Materials

- » 83%, or \$331,000, of construction materials were obtained within 250 miles of the site including primarily concrete and asphalt paving materials.
