USO Information

The United Service Organization (USO) offers a variety of services to active military personnel and their dependents, including free refreshments, information and referrals at O'Hare International Airport. The 24-hour center provides men, women and families of the Armed Forces with a place to relax, enjoy a meal, check email and phone home before being deployed or just after traveling from overseas.

The USO at O'Hare has proudly provided programs, services, care and comfort to troops and their families since 1969.
