

The Chicago Department of Aviation (CDA) is implementing a nearly \$400 million capital improvement program over the next three years at Midway International Airport that will significantly upgrade the travel experience for years to come. The **Midway Modernization Program (MMP)** will bring new and expanded concessions, a larger security checkpoint area, and an expanded terminal parking garage.

The CDA will oversee a phased approach to construction on MMP projects to minimize traffic impacts to the surrounding community and to maintain seamless operations at Midway to keep employees and travelers moving through the airport.

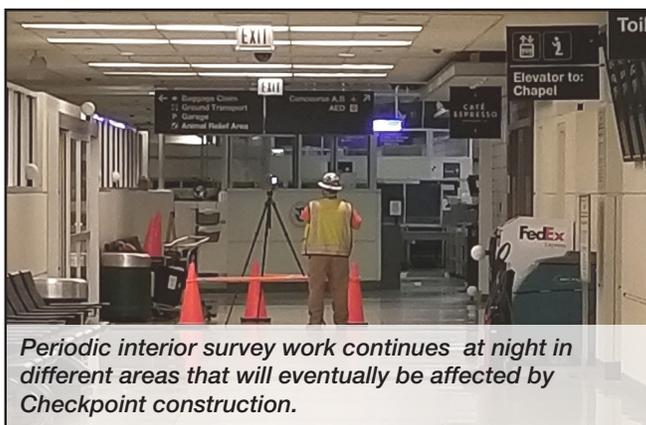

## Happening This Month

### Security Checkpoint Expansion

- The long-term traffic shift for Cicero Avenue is in place and will continue at least through the end of the year.
- Two lanes remain open in both directions.
- Nightly closure of outer arrivals lane continues in early April (12:00 a.m. – 10:00 a.m.)
- 24-hour closure of outer arrivals lane starting in mid-April for a couple of weeks.
- Foundation work starts mid-April.

Cicero Avenue and Arrivals traffic flows smoothly around the work area for the bridge. Caisson rigs have been set up on the north side to begin foundation work.

Periodic interior survey work continues at night in different areas that will eventually be affected by Checkpoint construction.

Go behind the barrier on page 2 and see what's coming as part of the **Concessions Redevelopment Program!**

## Planning for Next Month and Beyond

- Concrete piers will form the foundation of the bridge. Construction will begin **early May**.
- Steel girders will be erected on the foundation on the north side of the bridge later in **May**. This work will continue for several months.

We recognize the disruption construction can cause and thank you for your patience as we make much needed improvements. We hope you will join in our excitement as we watch a Modern Midway rise up around us!

The **Concessions Redevelopment Program** will reflect Chicago's diversity and showcase the best of local and national brands, healthy new options, and expanded retail through a \$75 million private partnership investment. Construction will be phased to achieve more than 70 offerings by 2020. Concessions jobs will also double from 700 to 1,400. The first phase of redevelopment is well underway with 12 new food and retail locations opening later this year featuring eight brands new to Midway.

## Happening This Month

### Concessions Redevelopment Program

- Construction continues near gate A7 on six new and returning food and retail offerings.
- Barricade walls up around the moving walkway in Concourse A (between gates A5-A7) so it can be removed to open more space. Foot traffic may move closer to gates.
- Graphics on barricade walls will provide a sneak peak of the exciting new offerings coming soon.
- Construction continues in B Concourse (between gates B10-B20) on three new food locations.
- Construction continues on two temporary retail locations (near gates A5 and B12) and will be the future sites of **Tech on the Go** and **Chicago Sports** respectively.

### Phase I Redevelopment Food and Retail Offerings

- Arami\*
- BIG & little's\*
- Billy Goat Tavern\*
- Camden Food\*
- Woodgrain Neapolitan Pizzeria\*
- Harry Caray's 7th Inning Stretch
- Nuts on Clark
- Reilly's Daughter
- Home Run Inn\*
- Porkchop\*
- Sony/Belkin\*
- Departures News

\*New to Midway

### Planning for Next Month and Beyond

- Concourse A walkway removal continues.
- Announcements will be made as Midway's exciting new options get ready to open later this summer and early fall.

## Behind the Barrier: New Options in Concourse A

Exciting new food options are taking shape behind the barrier walls in Concourse A. Arami and Woodgrain Neapolitan Pizzeria will be ready to open in the coming months.
